For the telephone conference scheduled on Monday (July 1, 2002), I would like to focus our discussion on document images and their relation to the claimed invention. I believe that we can focus on independent claim 1 as a representative claim. Within the context of our discussion of claim 1, I would like to discuss the disclosure of U.S. Patent No. 5,956,618 (issued to Yamakita) as well. Thank you for taking the time to discuss these matters with me, I look forward to talking with you on July 1.
